James Reilly

Board Member | Chief Executive Officer, Angotti & Reilly General Contractors

Born in San Francisco and a longtime resident, Mr. Reilly is a local contractor and developer. He is the president of the construction company, Angotti & Reilly Inc. and general partner of Irta Properties. He has over 35 years of experience in all phases of construction in the Bay Area and holds multiple construction licenses. Recent projects include the Children's Playground in Golden Gate Park and the Apple Computer store in San Francisco. Jim is a graduate of San Jose State University and is a founding member of AHA. He is also chairman of San Francisco's Citizen Advisory Committee of the City Surplus Property Program and a past board member of the Museo Italo Americano at Fort Mason Center in San Francisco.
