Originally built between 1969 and 1970 through the HUD Section 202 program, Satellite First Communities recently underwent refinancing and renovations focusing on design sustainability and accessibility. Equipped with these updates, the five modernized buildings will continue to serve generations of residents for decades to come. We will host a tour of Satellite Central, recognize the great team that made this rehabilitation effort possible, and enjoy the afternoon with SAHA residents and supporters. 540 21st Street, Oakland CA 94612 SAHA info@sahahomes.org DD/MM/YYYY ^[4]
