Lakeside Senior Apartments wins Golden Nugget!

Posted On: July 25th, 2017

Lakeside Senior Apartments in Oakland wins the 2017 PCBC Golden Nugget Award for Best Affordable Senior Housing Community

"This project reflects the care and respect required in completing a superior affordable housing solution in an urban infill setting. The level of detail and thought taken with both the interiors and exteriors of the building shows the keen awareness by the client and design team.

The solution placed a ground-level courtyard area that serves as a connector to the units and street and is designed as a vibrant and open space with multiple uses. In addition, the judges felt that the use of the rooftop as additional community space and wonderful view corridor was a strong design element for the project. Contextual yet safe, a bright spot for the City of Oakland and the adjacent neighborhood."
