Bringing Joy to More Than 400 Youth Residents

Posted On: February 2nd, 2017

December is a very special and exciting time for many of our young residents, and this past year was no exception. It's a time when we all come together at SAHA to make lasting memories for the children living our properties. This year we reached our ambitious goal of providing over 400 toys to SAHA children in Oakland, Berkeley, Livermore, Walnut Creek and as far North as Sonoma County. All of this was made possible thanks to the continuous support of Moms Against Poverty, Marine Toys for Tots, and staff who voluntarily donated. A special thanks to the many Resident Services and Property Management staff who helped

with transporting the toys. For some of these children, this will be the only gift they receive this holiday season.
