Coming Soon

SAHA has partnered with All Souls Episcopal Parish (ASEP) to redevelop an underutilized parcel in North Berkeley into an affordable housing community of 35 studio units for low-income seniors, as well as administrative and residential space for the church. The community will be located near multiple public transit options, grocery stores, and other amenities, making it an excellent place for its senior residents to age in place. Residents will also enjoy on-site amenities such as a community room, courtyard with seating area, upper floor terraces and a parking garage. Construction is anticipated to begin in late 2019.
